

# Blue Donut Studios Squares

## Rules

**1**

For a 4 Player game, combine 2 packs together.

**2**

In a 4 player game each player selects one colour to play.

**3**

The diagram above shows how cards can be placed.

**4**

There are no half points in a 4 player game.

**5**

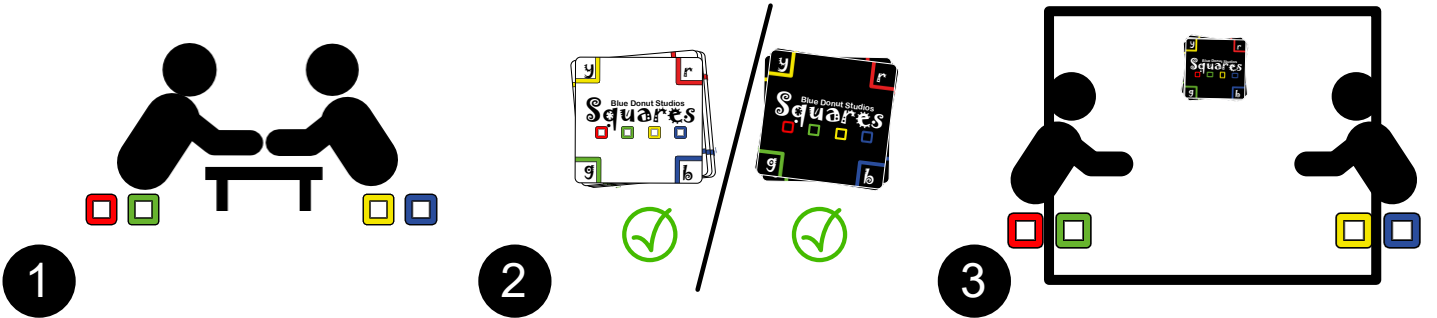

When all players have used up all the cards the game ends.

**6**

Each player totals up their scores. The player with the most points wins.

# Blue Donut Studios Squares

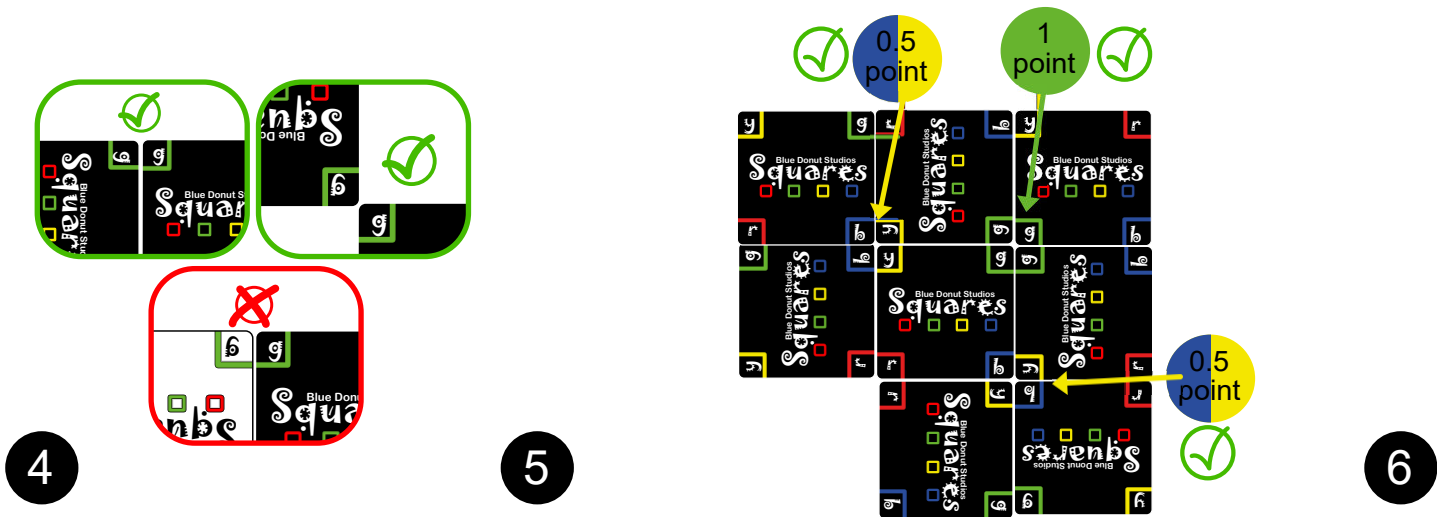

## Rules

1 Two players decide which two colours to be: red and green or yellow and blue.

2 Either side of the cards can be used to play a game.

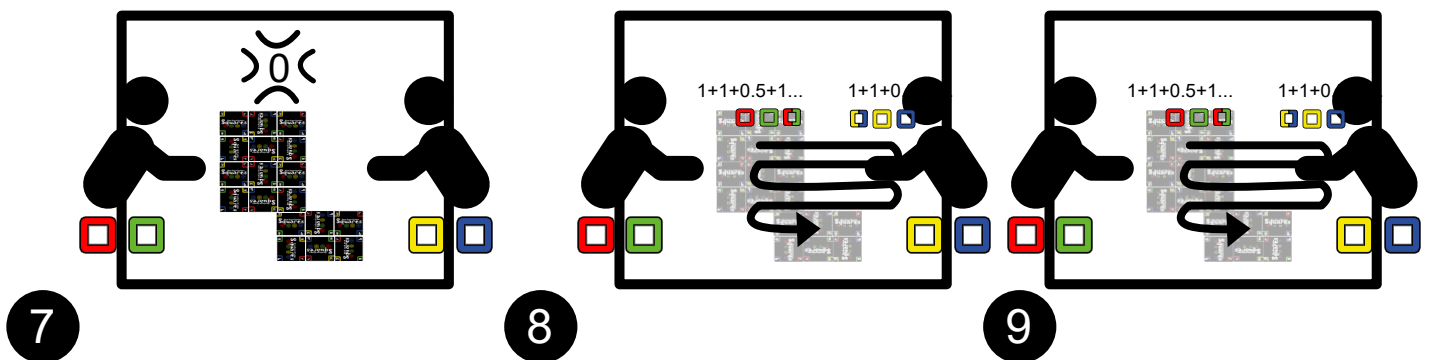

3 Cards are drawn by each player in turns

4 The diagram above shows how cards can be placed.

5 Complete a square of either of your colours to win 1 point.

6 Complete a square using two corners of each of your colours to win half a point.

7 When both players have used up all the cards the game ends.

8 Each player totals up their 1 point and half points together.

9 The player with the most points wins.
